

21st September 2020

Dear Parent/Guardian,

Milk Provision

As you may or may not be aware, the Government provide milk for all children in the Early Years' Department (Nursery & Reception) free of charge. We feel that it is beneficial to offer milk to children whilst they are still developing they are automatically enrolled into our milk numbers; however, **if you do not want your child to have the free milk then please return the form.**

If your child is in Key Stage One (Year 1 & Year 2) and you would like them to have a carton of milk during morning break, Beech House School will provide your child with milk at a cost of £45.00 for the academic year.

If you do not wish your child to have a carton of milk, please can you send in a healthy drink (refer to the Golden Grin policy) for them to have instead.

We will also provide water throughout the day for any pupil that would like some.

Please complete the slip below and return it along with the payment by Friday 25th September 2020.

Yours sincerely,

C Collier

Mrs C. Collier
Headteacher
