

Wear Your Christmas Jumper Day Thursday 16th December

Dear Parents and Carers,

I am very pleased to say that our children and staff will, this year, be taking part in Springhill Hospice's Wear Your Christmas Jumper Day.

This will be held in school on Thursday 16th December. On that day we would like children to come to school wearing their Christmas jumper to create a real festive feel.

Normal school trousers/skirts and shoes should still be worn, but blazers are not necessary

If you are not wearing winter/Christmas jumpers then full school uniform must be worn, including blazer.

Can I point out that under no circumstances are students allowed to wear:

- Hoodies
- Cut off tops
- Tops with motifs
- Mini skirts
- Tracksuits
- If you do not celebrate Christmas then please wear a winter themed jumper.

For Wear Your Christmas Jumper Day we will be raising money for Springhill Hospice and we are asking you to send a donation of £1 into school with your child on that day to be included in our donation to the Hospice.

The need to fundraise on behalf of the vulnerable people Springhill Hospice supports, which suffer from life-limiting illness such as cancer, has never been greater, as Covid-19 has presented so many new challenges. Despite this Springhill Hospice has continued to care for their patients and support the families and carers helping them cope with the pressure and strains of illness and provide comfort and help with bereavement.

Wear Your Christmas Jumper Day is a fun and festive way to make a real difference to local hospice care and it will add something special to our school festivities this year. It is something positive to look forward to for everyone this December.

Thank you as always for your support.
